

PRESS RELEASE (EMBARGOED UNTIL 31 MAY 2019 8AM)

ALTUS AND FUNDSCAPE JOIN FORCES

Technology supplier, Altus, and research house, Fundscape, have formed a strategic partnership to develop new solutions and products for the financial services industry. The joint venture will combine rigorous systems engineering with in-depth industry expertise to deliver innovative, market-leading services.

Altus MD, Kevin Okell, commented “Over the last 10 years Altus has established an enviable reputation for robust, reliable software built on a detailed understanding of how financial services businesses operate. Adding Fundscape’s rich insight into the investment market will enable us to explore some exciting new opportunities”.

Fundscape CEO, Bella Caridade-Ferreira, added “At Fundscape we have no shortage of ideas on how to improve the investment management and distribution sector and have been seeking the right partner to help turn them into reality. Altus brings all the qualities we were looking for and I can’t wait to get started on the next suite of products”.

Notes to editors

About Fundscape

Established in October 2010, Fundscape is a research house specialising in the end-to-end research and analysis of the UK fund industry. It is the publisher of the quarterly Fundscape Platform Report, widely regarded as the industry benchmark for platform trends and statistics in the UK. With many years of industry experience, its team is well placed to provide unique insight into asset management and distribution trends, including product development, distribution and marketing.
